

NEW ENGLAND CORPORATE COUNSEL ASSOCIATION, INC.

New England Corporate Counsel Association (NECCA) is an organization of in-house counsel from Massachusetts and other New England states that meets each month from September through June. Monthly meetings include seminars covering legal topics of common interest and provide an opportunity for members to share resources and to network.

NECCA provides opportunities for continuing professional education designed specifically for in-house counsel and a chance to meet colleagues with similar concerns.

NECCA's current membership of over 125 attorneys from more than 80 corporations includes lawyers with a broad and diverse range of business and legal experience.
